Please note, The workshop is intended to discuss the needs of decision makers from climate sensitive sectors, how climate information can be tailored to their needs and the identification of gaps. Spaces are limited to between 30 and 40 and therefore we would like to attract decision makers along with climate scientists and others who have direct experience working with decision makers from climate sensitive sectors.

Applicants are requested to submit a brief statement (no more than 300 words) as to their background and experience in the above areas. Please send this to Alexandre Gagnon (a.gagnon@liverpool.ac.uk).

- AMMA EU members: check web page for young scientists funding
- AMMA France members: central funds will finance a limited number of places (decision by 20/10/05)
- AMMA Africa: limited funding available, see website for more details.

Late Registration.

The standard conference fees apply ONLY to delegates who register by 30th October, and payment is subsequently received by 14th November. Registration after 30th October will incur a late fee of 75€.

* Please note that evening meals are NOT provided during the workshop.
